Hi Jenny,

Sorry for the late reply! I was in a workshop Monday and yesterday, so I'm still playing catch up. I'll try to give you a call this afternoon for a quick chat.

Thanks,
Emi

Good afternoon,

Unfortunately, the BiOp is still in legal review and will not be ready for your review this week. There is a slight chance that I can get it out to you next Thursday (6/1) based on our attorney's availability. Otherwise, I will be on annual leave 6/1-6/7, and will have it to you sometime thereafter.

Thank you for your patience, and I apologize for the continuing delay.

Thank you,
Emi

Good afternoon,

I'm hoping that the BiOp will be ready for the last round of review in the latter part of this week. Because this upcoming round of review is for you to see how your comments have been addressed, I will be sending out a version with the updates in track-changes and will be asking for a shorter turn around time (~2.5-3 business days).

Please don't hesitate to contact me for questions or concerns.

Thank you,

Emi

Good morning,

I wanted to let you know that we are still resolving one comment we received from the last round of review and that the BiOp will not be ready for review this week. I will update you as soon as I have a better idea of the timing for your review.

If you have any questions or concerns, please don't hesitate to contact me.

Thank you,

Emi
